

# Air EDV

**#airEDV** (Abode for Integration and Rest) is a training and retreat house ready to **engage** the people and introducing **disciplines** and tools that can help **vitalize** personal journeys that will impact their organizations.

#airEDV is designed for deeper spiritually, personal growth, and relationship building, flourishing organizations. The house is nestled in a quiet neighborhood filled with trees, with the calming sound of water from the creeks. Bask in Baguio's lush green sceneries and fresh air.

*“Real ministry starts taking place when we bring others in touch with more than we ourselves are— the center of being, the reality of the unseen—the Father who is the source of life and healing.” – Henri Nouwen*

## **Abode**

*a dwelling; habitation; sojourn; a home which offers a sacred space and time for one's spiritual formation and to be companions to one another.*

## **Integration**

*equally unified and intersecting dimensions: the love of God, the love of others, the love of self.*

## **Rest**

*combined with practice of prayer, contemplation, silence, solitude, and faith and life conversations—which principally constitutes our communion experience with God—is what “grounds us” in God and prepares us to live with and love others.*

We desire to provide a sacred space for groups and organizations to flourish in all aspects through retreats and trainings, helping them find meaningful kingdom-of-God-oriented purposes, embracing transformation and growth into the image of Christ.
